Foxcroft School's Out for Summer Kick-off Party— Saturday, June 18 at 4 p.m.

A big thanks to everyone who showed up on May 21 for the pool opening work. The crew washed tables and chairs, set out the furniture, and officially opened the pool. Some of the kids helping out were even brave enough to jump in. Thanks again.

Laurel Eberl has volunteered to be our new Neighborhood Watch program. Thanks Laurel.

Please **be careful** driving in the neighborhood. With the pool now open and school out for the summer soon, there will be even more children riding bikes and walking around the neighborhood. Please follow posted speed limits and be extra careful around the clubhouse/pool area and intersections.

We are still looking for volunteers to help with the nightly pool closings. It only takes 10-15 minutes each evening, but is a big help in keeping our pool clean and safe. Also, by having residents volunteer, we don't have to hire closers which helps control our expenses.

To volunteer, please contact either Matt Wood (mwood4494@gmail.com, 326-1013) or Jason Woodfin (j.woodfin@yahoo.com, 989-8775). You can choose a Monday thru Thursday shift or Friday thru Sunday.

Sad, but necessary reminder...

Recently there were several car break-ins in the Dunlora neighborhood. Please remember to **NOT** leave any items in your car, especially in plain view. Please take all personal items such as wallets and purses, iPods, GPS systems, cell phones, laptops, electronic readers, money, sunglasses, and anything else that might be tempting to a criminal. Our neighborhood has had our share of break-ins over the years and most are crimes of opportunity. It also helps to lock your car as well as your doors and windows. Don't make it easy for someone to steal your stuff or endanger your family.

It is also important if you see or hear any strange or suspicious behavior, do not hesitate to call the Albemarle County police. Let's all be diligent not to be a target. **434-977-9041** is the non-emergency Albemarle County Police phone number. Please, call 911 if there is an emergency situation.

To the folks who rent the clubhouse in the evening: Please remember that the pool closes and the noise needs to be kept down after 10 p.m. regardless of how late the party lasts in the clubhouse.
