

Calendar:  
January 21, 2012  
Beer Tasting 5:00 pm

A big **thank you** to all who volunteered with our neighborhood block party November 5. It was greatly appreciated. Thanks to Chuck Miller for his pig smoking skills and to Laurel Eberl for planning everything out. The weather cooperated and it was a great event.

### **Board openings for 2012**

The board will need to fill the positions of Treasurer and Association Manager for 2012. Ed Koonce has other commitments that will take more of his time next year and Katie Davis will be moving around June of next year. Both of these individuals will greatly be missed. They both have been great assets to the board! There will be more information to come. Please consider volunteering when more information comes forward. If you think you may be interested, please contact a board member for more information.

### **Lost Dog? Found Dog?**

Stacy Donelan expressed some interest in creating some sort of neighborhood blog or website to display neighborhood pets. Residents could use the site to help identify those animals that sometimes take themselves for a walk (without their owners). This would be an independent site, separate from the Foxcroft official site. Anyone interested, please contact Stacy at [ssd3c@virginia.edu](mailto:ssd3c@virginia.edu) or 973-8745.
